

Autumn 2015

Dear Parent/Carer,

Thank you for your support by attending our recent Parent Consultation Evening, I would like to thank the 59.6% (121) of parents/carers who completed and returned Parental Questionnaires. They provide a valid gauge of how well we are serving the families in our local community and also help us to identify ways in which we can improve even further so that all children receive the highest standard of education.

I would also like to remind parents/carers that questionnaires are not the only way of sharing your views. My staff and I are always willing to make ourselves available to discuss any questions you may have.

Whilst the results highlighted in the table on the reserve of this letter show a positive and improving picture, the school will continue to strive to improve further.

Yours sincerely,

T Bartle
Principal
