Craven Primary Academy Sport Premium Report 2016-2017

In 2016/2017 Craven Primary Academy will receive the fourth year instalment of PE funding. The funding will be used in a variety of ways to further improve and develop teaching and learning across the whole academy. We will encourage pupils to continue to lead healthy lifestyles, enjoy PE and Sport and experience high quality teaching. They will be encouraged to take part in competition and aim for sporting excellence. Over the past 3 years we have employed a specialist teacher to work alongside our teachers to develop their skills and knowledge to enhance the quality of the teaching of physical education. Through monitoring and evaluation the academy recognises the positive impact on the quality of teaching of PE and the need to use our funding in 2016/2017 in different ways.

Having already seen impact of the funding from the previous 3 years we hope for this additional funding to have continued and sustained impact on provision of PE and sport within our academy. Learning walks, lesson observations and monitoring by SLT and the PE leader as well as a termly PE report, have identified the following areas to address in PE this year: high quality resources to support the demands of PE, increased awareness of healthy lifestyles, increased quality of warm ups and agility games to build up stamina. Pupils will also have many opportunities to participate in competitive events in various locations.

Amount of Primary School Sports Grant Received	
Primary School Sports Grant Lump Sum	£8802
Total number of pupils on roll	174
Proposed amount spent	£8000 + mini bus fees to be included

Objective	What are we going to do?	How are we going to do it?
Physical Education Raising the standard of teaching and learning in PE: a focus on 2 new teachers to the academy	To improve the PE curriculum and the quality of teaching and learning	Coaching and mentoring of 2 new teachers by utilising the skills of the PE lead in the academy and by high quality CPD opportunities.
Competitive School Sport Increase participation levels in extracurricular sport	To continue and extend the opportunities for competitive and non-competitive sport with other local schools and academies.	Maintain current competitive activities -Sports coaches organise tournaments to link with skills being taught in classes (tag rugby, dodge ball, canoeing) - PE lead to organise cluster competitions - PE lead to lease with secondary schools and local clubs for sport
Healthy Active Lifestyles Ensuring all children are encouraged to take regular exercise	To improve the health choices of our pupils and lead an active lifestyle.	Through children participating in sports and games both within the Academy and with partner schools and Academies locally.
